

To Whom it May Concern,

It's my privilege to write this recommendation letter for Louis Turpin. Louis has been a part of my football team for the past season at the Cumberland Panthers, U16 Junior Varsity level, and I'm confident that he would be a good fit at the next level.

Louis's natural athleticism impressed me during this season. He committed himself to improve by being receptive to feedback and spending many hours training outside of practice.

Just as impressive as Louis's athletic abilities, is his educational achievements. He used the same dedication to achieve an 80%+ average. Through talking with his peers and teachers, I've realized that he demonstrates impressive leadership skills and perseverance in every facet of his life.

Once again, I would like to express that Louis is a great fit for your program. I believe his athletic abilities can help your team as much as they've helped mine. Plus, you'll be welcoming a student whose positivity and dedication are infectious to everyone around him. Please contact me if you have any questions or would like to learn more about my experience as Louis's coach.

Thank you very much for your time and consideration,

Mike Schmidt
